

Sports and Leisure survey 2012

We want to find out what you think about sports and leisure provision in the city and what would help you take part in sports and leisure activities.

We will use what you tell us to deliver a new model for sports provision and to make sure that we have sports and leisure facilities that are high-quality, efficient to operate and fit for purpose. It will therefore also help us to decide what to do about Foleshill Sports and Leisure Centre, which is no longer considered to meet these standards.

When you have completed the questionnaire you can return it to us:
